BAR DRINKS & WINE

The LookOut Restaurant also has a full bar in the restaurant itself as well as a public bar, Jacob's on the ground floor level beneath it. It is possible to set up an account for your guests on your behalf in either or both of these bars or if you prefer your guests can pay their own way as they go.

We have a good selection of wine on offer starting at €21.50 per bottle for our house red and white.
